Expert Dr. Andy McGuire Visits Quad Cities

Dr. McGuire is the keynote speaker at the Women's Leadership Council Luncheon

DAVENPORT, IA – Dr. Andy McGuire will visit the Quad Cities on Thursday, November 3 to discuss the importance of early childhood education and the dramatic effect it has on a child's development.

This is part of an annual event held by the Women's Leadership Council (WLC), a group of educated, dedicated and informed women who are working to ignite the power of Quad-City women to help prepare children birth to age five for success in life.

When: Thursday, November 3
Interviews with Dr. McGuire – 11:00-11:30am
Registration – 11:30-12pm
Luncheon – 12-1pm

Where: Isle Casino Hotel
1777 Isle Parkway, Bettendorf

Women interested in attending can RSVP at unitedwayqc.org or join us at the Isle on Thursday. The luncheon costs \$30/person.

Dr. McGuire is a nuclear medicine physician by training and is a mother of seven. Currently, she is vice president and chief medical officer for American Republic Insurance Company/ World Insurance Company and is actively involved with early childhood issues and research. She serves on national healthy policy panels and has conducted extensive medical research into a variety of topics, including breast cancer.

About the Women's Leadership Council (WLC)

The Women's Leadership Council (WLC) is igniting the power of women to make a positive impact on the lives of children from birth to age five by preparing them for success in life. More information can be found at www.unitedwayqc.org/wlc
