WHY BID TO GIVE?

COVID-19 has had a dire impact on education. Too many Quad Cities’ students are struggling to regain momentum they lost during the spring, summer and now, the uncertain school year ahead.

Together, we change this. We need your help. All monies raised will support programs helping get kids back on track in school - including our online tutoring and volunteer reading programs.

For more information, contact Gwen Tombergs at gwen@unitedwayqc.org or 563.343.2058.
