

# 100

**MALE MENTORS**

## Help Quad Cities African American boys *live their best life.*

### Become a Mentor!

Help lay the foundation for Quad Cities African American boys to be successful in school and life.

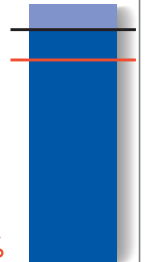

**So, are you ready?** When male students resemble their mentors and educators, they experience less disruptive behavior and do better in class. Complete the form below and return to United Way to learn more about opportunities to become a mentor for African American boys.

**United Way believes** every Quad Citizen deserves the opportunity to live their best possible life.

This happens by involving people in volunteerism, advocacy and giving. The result is a mobilized community creating the conditions for every Quad Citizen to lead a happy, successful life and a healthier, stronger region.
