HELP QUAD CITIZENS BY
DONATING PERSONAL HYGIENE ITEMS

We all deserve basic necessities.

Women United is dedicated to improving the future of our region’s youngest Quad Citizens. Join our hygiene drive to collect essential toiletries and other small items to help our most vulnerable kids and families meet their basic needs.

Together, we can amplify healthy lifestyles and improve the health, dignity and self-esteem of local children and families with a simple act — provide hygiene items for those that need them.
