

CONGRATULATIONS ON YOUR NEW JOB.

YOU ARE NOW PART OF AN ORGANIZATION THAT CARES ABOUT THE QUAD CITIES.

As you settle into your new job, you will soon discover that your employer and co-workers are active partners with United Way. They contribute time and resources to make the Quad Cities a better place to live and work.

JOIN THE FIGHT. UNITEDWAYQC.ORG

GIVE. VOLUNTEER. LIVE UNITED.

United Way welcomes you and we look forward to working with you to create real change in our community. We hope you will show your support and join your colleagues by making a personal pledge to United Way. One of the benefits of your new job is that it will be easy to give back by donating through payroll deduction.

Here are just a few examples of the impact your donation can make.

\$5/WEEK provides 8 children with books for a year

\$10/WEEK provides 1,400 meals to individuals in need

\$25/WEEK provides safe and stable housing to a low-income family

There are a variety of great ways for you to get involved and volunteer with United Way. We team up with your organization to offer ways to help our community and have some fun while doing it. Plus, it's a great way to get to know your new co-workers. Whether it's Day of Caring, reading with kids, or helping with a school supply or hygiene drive in your office, it all matters.

We also want you to know that United Way is here to help. Just dial 2-1-1 or 563.355.9900 for our confidential information line to get directed to the right services when you need it.
