

# UNITED WAY RETIREES UNITED®

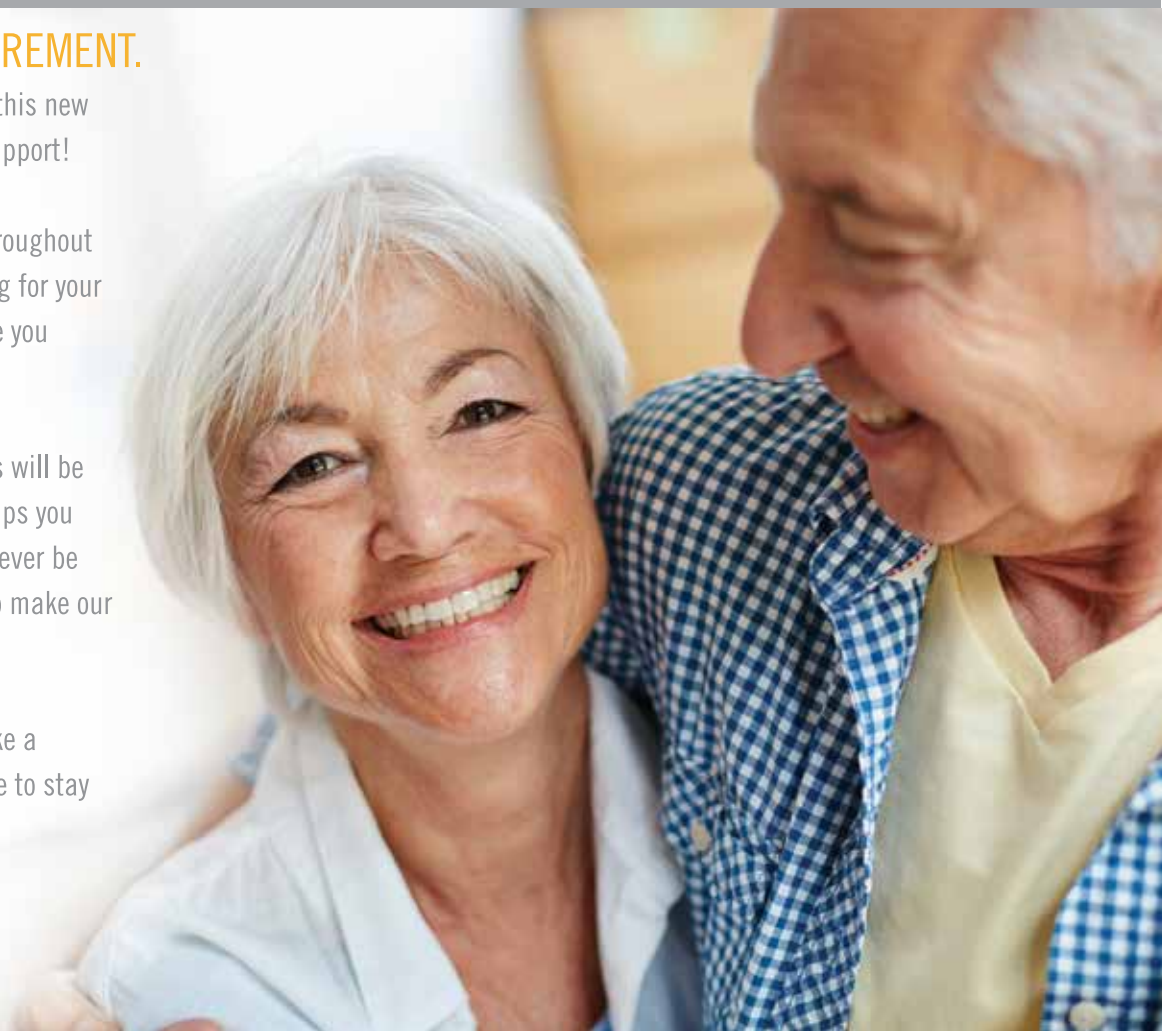

## CONGRATULATIONS ON YOUR RETIREMENT.

United Way wishes you the very best as you start this new chapter, and we sincerely appreciate your loyal support!

After years of hard work, you've finally retired. Throughout your career, you've spent countless hours planning for your dreams, fulfilling your goals, and creating the life you want. You've been busy. So now what?

Maybe you're thinking about what the Quad Cities will be like when your grandchildren are grown? Or perhaps you wonder if some of our community's problems will ever be solved? Or maybe you've spent a lifetime trying to make our community a better place to raise your family?

United Way will keep tackling these issues to make a stronger Quad Cities. And we need you to continue to stay involved.

# GIVE. VOLUNTEER. LIVE UNITED.

## We want to stay in touch.

In case you have more time on your hands, we offer great ways to get involved, give back, and have fun by volunteering. Take your career experience and put it to work, or try something new. We offer a variety of experiences from one-day to long-term.

Our partnership may look different now. But just as there were easy ways to give through payroll deduction, United Way offers pension deduction or monthly withdrawals by credit card or checking account.
