

2026 Iowa Priorities

Health

- Promote funding to address need for medium-to-long term mental health services for high frequency users
 - Monitor and address potential issues with SNAP and Medicaid benefit change implementation
 - Promote funding to address food deserts and access to nutritious food
-

2026 Illinois Priorities

Health

- Promote funding to address need for medium-to-long term mental health services for high frequency users
 - Monitor and address potential issues with SNAP and Medicaid benefit changes
 - Promote funding to address food deserts and access to nutritious food
-

2026 Federal Priorities

Health

- Support efforts to lower costs for families accessing insurance through ACA markets
- Monitor and share impact of changes to Medicaid and SNAP in local community
- Promote increased funding to allow SNAP recipients and food banks to access healthy, whole foods and ready-to-eat meals
